**MOTION FOR SUSPENSION PURSUANT TO 37 CFR § 2.117**

Applicant, Unilux AG, hereby moves the Board to suspend the ex parte appeal for good cause pursuant to 37 C.F.R. § 2.117, TBMP §510, and TBMP §1213. One of the cited registrations in support of the Examiner's Section 2(d) refusal, Reg. No. 2744477, JUMBO & Design, is currently in the grace period for its renewal. The grace period will end on January 29, 2010.

Pursuant to TBMP §1213, suspension of this ex parte appeal while waiting to determine if the cited registration will be cancelled is appropriate. Applicant therefore requests that the ex parte appeal be suspended pending the outcome of Reg. No. 2744477.

Respectfully submitted,

UNILUX AG
